About our advisers

Advisers are authorised by Futuro to provide financial product advice in relation to, and deal in, certain financial products and services. Futuro will be responsible for any financial services that your adviser is authorised to provide to you.

Your adviser's profile contains important information about your adviser including details of their education and qualifications, what advice they can provide, what relationships and associations they maintain as well as details of the advice fees you may pay and how they get paid for providing you with advice.

Why you should choose us

We aim to provide personalised and responsible advice suited to your objectives and believe that sound advice and planning is the key to improving your financial position.

The research team periodically reviews the products on the Approved Product List to ensure that they remain competitive with similar products which address similar client needs and objectives.

How you can give us instructions about your financial products

To develop a successful financial strategy, including recommending suitable products and services to meet your needs, we need to consider your personal circumstances and financial needs, goals and objectives. We will ask you for information about your personal circumstances when we meet with you.

You have the right not to provide us with personal information. However, without this information, or if it is inaccurate, the advice you receive may not be appropriate for your personal circumstances. If the information is incomplete and/or inaccurate, your adviser may provide you with a warning that the advice may not wholly represent your needs, objectives or financial situation.

It is also important that you keep us up to date by informing us of any changes in your circumstances so we are able to determine if our advice continues to be appropriate to your circumstances.

Transaction services

If you do not require advice from us, but you would like us to help you complete a particular transaction, we can also arrange for you to apply for the kinds of products referred to in this Guide. In these cases, we can take your instructions and arrange for the transaction to be completed, without providing personal advice.

It is important to understand that in these circumstances, we will generally ask you to confirm your instructions in writing and sign a letter that acknowledges you have declined our offer of advice as well understand the risks of a transaction service. You will be provided with a copy of the letter for your own records.

Documents you may receive

You can also contact us directly with any instructions relating to your existing financial products. We will accept instructions from our existing clients via telephone, mail or email. Product transactions can only be completed on those financial products your adviser is authorised in.

Our initial advice will be provided to you in a financial plan, known as a Statement of Advice (SOA). The SOA contains a summary of your goals and the strategies and financial products we will recommend to achieve your goals. It also provides you with detailed information about the fees, costs and other benefits we will receive as a result of the advice we have provided. We will maintain a Record of Advice (ROA) for any further advice and/or reviews we provide to you.

You have the right to request a copy of these documents up to seven years after the advice was provided by contacting your adviser.

If we recommend or arrange a financial product for you, we will make available a product disclosure statement (PDS) or investor directed portfolio service (IDPS) guide where relevant. These documents contain the key features of the recommended product, such as its benefits, and risks as well as the costs you will pay the product provider to professionally manage your investment or insurance. You should read any warnings contained in your SOA, the PDS or IDPS guide carefully before making any decision relating to our advice.

If you hold an ongoing fee arrangement with us for a period of more than twelve months, we will provide you with a Fee Disclosure Statement (FDS) and/or an Opt In Renewal Notice. The FDS outlines the amount of fees you paid in the previous twelve month period, what services were offered and what services were provided to you. The Opt In Renewal Notice allows you to renew the ongoing fee arrangement on a bi-annual basis and is for new clients from 1 July 2013.

Your privacy and access to your information

As part of the financial planning process, we need to collect information about you and maintain a record of your personal information. We are also required under the Anti-Money Laundering and Counter-Terrorism Financing (AML-CTF) Act 2006 to implement client identification processes. We will need you to present identification documents such as passports and driver's licences in order to meet our obligations.

We maintain a record of your personal information. You have the right to withhold personal information, but this may compromise the effectiveness of the advice you receive. If your personal information is incomplete or inaccurate, this could affect our ability to fully or properly analyse your needs, objectives and financial situation, so our recommendations may not be completely appropriate or suitable for you.

Advice fees

The fees charged for our advice and services may be based on:

- A set dollar amount that is agreed between you and us and invoiced directly to you or paid via your product (if possible).
- A percentage-based fee that is agreed between you and us and paid via your product (if possible).

Our advice fees may include charges for the following advice services:

Initial advice - The initial advice fee covers the cost of researching and preparing your financial plan and is based on a set dollar amount.

Before providing you with initial advice we will prepare an Initial Advice Agreement. The Initial Advice Agreement sets out what our initial advice will cover and how much it will cost you. In addition, the initial advice fee will be disclosed in your SOA.

Advice implementation – The advice implementation fee covers the administrative time spent implementing the recommended strategies and products and is based on a set dollar amount. The advice implementation fee will be disclosed in your Initial Advice Agreement or in your SOA.

Ongoing advice – The ongoing advice fee covers the cost to review the strategies and the products recommended in your SOA. An ongoing review helps you take advantage of opportunities as they become available.

The ongoing advice fee is calculated as either a set dollar amount or a percentage of your investments. Ongoing advice fees may increase each year in line with the Consumer Price Index (CPI) or by a fixed amount or fixed percentage each year. We will advise you if this fee will increase as a result of CPI.

Before providing you with ongoing advice your adviser will prepare an Ongoing Advice Agreement. This agreement sets out our ongoing advice offer, which includes the advice and services we will provide, as well as frequency these will be delivered, how much it will cost, your payment method and how the service can be terminated. In addition, the ongoing advice fee will be disclosed in your SOA.

Additional advice – For all other advice, an additional advice fee may be charged based on a set dollar amount or hourly rate. Any additional advice fee will be disclosed in your SOA.

Commissions - Please note that for services in relation to insurance, banking deposit products, margin lending, some loan products and older investment products, commissions may be paid by the product provider as follows:

- Initial commission - a percentage of the value of your investment contributions, loan balance or insurance premiums; and
- Ongoing commission - a percentage of the value of your investment balance, outstanding loan amount or premiums, usually calculated at the end of each month in which you hold the investment or loan, or on renewal of insurance products.

Your advice fees will be calculated at the time we provide you with personal advice. Your SOA will outline the advice fees and any commission inclusive of GST.

Payment Method & Frequency

We offer you the following payment terms:

- Bpay, direct debit (credit card or savings), cheque
- Deduction from your investment
- Initial and/or ongoing advice fees may be deducted as an annual instalment or in monthly or quarterly instalments.
- Ongoing advice fees may increase each year in line with the Consumer Price Index (CPI) or by a fixed amount or percentage each year. The specific amount will be agreed to by you and outlined in our Ongoing Advice Agreement.

Futuro may retain up to 22% (inclusive of professional indemnity insurance) of the gross revenue received for the recommended financial services and/or products. Futuro will pay advisers the remaining gross revenue received (unless otherwise stated). Please refer to your adviser's profile and SOA for detailed information on the types of fees charged.

Relationships and associations

It is important for you to understand the relationships that exist between us and other service providers, as they may be considered to influence our recommendations to you.

The Highfield Group Pty Ltd (Highfield) is the entity which owns Futuro. Highfield's shareholders include the directors of Futuro, Futuro staff and some advisers.

AMP Limited ("AMP") owns 10% of the shares in Highfield. AMP provides Futuro with administration and support services on an arm's length terms and shares in the profits of Futuro's business. Administration and support services are provided through an arrangement with Jigsaw Support Services Limited ABN 21 005 799 977, an AMP subsidiary.

Sterling Managed Investments Pty Ltd ("**Sterling**") is an entity owned by Highfield. Sterling holds an Australian Financial Services (AFS) License (No.340744). The shareholders of Highfield share in dividends that Sterling generates. The share price of Highfield may be affected favourably by the sale of products issued by Sterling.

Futuro has relationships with a number of financial product providers where we receive a payment based on the total volume of funds invested or placed through the relevant product provider's administration platforms/services (Platforms). Futuro has arrangements with the following product providers:

- AMP
- Colonial First State
- IOOF
- MLC
- Netwealth
- OnePath
- Russell Investments

Product issuers may also make payments to us as follows:

- For investment products and loan products, up to 0.33%* pa of funds under administration, the balance of the cash account or the total loan value outstanding.
 - For insurance products, up to 10%* of the total premium paid.
- * includes GST

The payments are usually made quarterly and are generally less any fixed fee that has been paid. Since this amount is calculated in the future, we cannot provide an exact figure at this point. However as an example, if:

- total funds under administration for a particular investment product is \$10 million with a nil fixed fee component, the issuer would pay Futuro \$33,000 annually.
- total premiums for insurance products are \$1 million; the insurer would pay Futuro up to \$100,000 annually.

Issuers of products do not pay to be included on our Approved Product List, however once on the list, product issuers or service providers may pay Futuro a fixed annual fee of up to \$30,000

(including GST). This fee assists with the costs of distribution and education support provided by us. These amounts are paid to Futuro by product providers from the amounts we are entitled to receive, and is not an extra charge to you if you elect to invest in these products.

Other benefits we may receive

We may be offered or receive non-commission benefits such as entertainment or sponsorship from some product providers at no extra cost to you. Both our advisers and Futuro maintain a register to document benefits received. A copy of this register will be made available within seven days of a request.

- **Productivity Recognition Payment:** AMP may provide us with a volume payment based on the total value of in-force annual premiums on eligible insurance products. AMP will pay us up to 3.00% of total premiums on some AMP insurance products. For example:
 - If our clients pay a combined annual premium of \$150,000 for insurance with AMP, we may receive \$4,500.
- **Business efficiency:** We may receive financial assistance including rebates, subsidies or reimbursements for dealer fees, accounting, legal and bank fees, marketing or other once-off transitional support costs, to help us grow our business or implement appropriate succession planning options. Eligibility is dependent on certain criteria being met including audit ratings, membership of a professional body, use of approved technology, administrative processes and business efficiency, which may include the use of products from Futuro's Approved Product List.
- **Non-monetary:** From time to time, product issuers have access to our advisers to advertise or give training on their products. Any payments made by fund managers for educational purposes at conferences, professional development or training days are shown in a non-monetary benefits register, which is available for inspection on request.

In certain circumstances, Futuro and/or your adviser may receive benefits in the form of subsidies for conferences including payments for travel and accommodation or other indirect benefits stemming from the advice provided to you. Any benefits we receive that may reasonably be considered to influence our advice and services to you will be disclosed in your SOA.

Our advisers and Futuro keep a non-monetary benefit register of indirect benefits received from product issuers that are less than \$300. Indirect benefits include such things as lunches, tickets to sporting or cultural events, corporate promotional merchandise and so on. You can see a copy of this register by asking us.

- **Payments to and from other professionals**

In some cases, your business may have been referred to us by non-regulated third parties such as real estate agents, accountants, mortgage brokers etc. Where this is the case:

- We may pay a referral fee when clients are referred to us from other professionals. This will be disclosed in your adviser's profile and SOA if applicable.
- We may receive a referral fee from other professionals when we refer you to their services. This will be disclosed in your adviser's profile and SOA if applicable.

Alternatively, you can ask us about the fees and we will tell you how much was paid and how it was calculated.
